CLAIM AMENDMENTS

The Examiner indicated that the application is in condition for allowance, except for the formal matters indicated in the Ex Parte Quayle action. Claims 81-83 have been amended to address minor typographical errors.

With regard to the Examiner's suggested amendments to claims 81 and 83, Applicants respectfully disagree with the Examiner's statements and are not clear as to what the Examiner is intending to say with the statements in the Action. Applicants believe that it would be helpful to further discuss the claims to better understand the Examiner's points and to further prosecution to an allowance. Applicants respectfully request a brief interview and will contact the Examiner soon to schedule an interview.
